6th DECEMBER 2005

Per G.S.Singhvi, CJ.

In these petitions, the petitioners have substantively prayed for transfer of the disputed site to the Unani Hospital.

On the last date of hearing, learned Advocate General sought adjournment to enable him to consult the concerned authorities to make a categorical statement about handing over of land to the Unani Hospital.

Learned Special Government Pleader says that he has been instructed by the department to make a statement to the effect that possession of the land along with structures will be handed over to the Unani Hospital within a maximum period of six weeks.

Learned counsel for the writ petitioners says that his clients are satisfied with the statement of the learned Special Government Pleader.

In view of the above, no order is required to be passed by the court and the Writ Petitions are disposed of as infructuous.

However, it is made clear that if there is any delay in handing over of the possession of the land to the Unani Hospital, then the petitioners shall be entitled to file miscellaneous petition for further directions.
